### Line Therapist

January 2014 - September 2016 (2 years 9 months)

Greenville, South Carolina Area

Some duties I perform as a line therapist include:

- Aiding in the acquisition of new life, social, and educational skills for the client
- Recording data based on the goals and expectations of my client's treatment plan
- Implementing behavior intervention when required
- Keeping client confidentiality inside and outside of the workplace (using client initials when communicating with other team members)
- Communicating with at least two supervisors per client per month to discuss the progress of the child
- Encouraging peer play and interaction as well as the practice of new skills during playtime

### Sav Mor Foods

Cashier

September 2012 - May 2014 (1 year 9 months)

Some duties I performed as a cashier include:

- Attended to the needs of customers
- Classified and identified store products and their places
- Facilitated innovative techniques for organization

### The Spinx Co.

Cashier

May 2013 - November 2013 (7 months)

Easley, South Carolina

Some of the duties I performed on this job included:

- Practiced business techniques in order to promote sales
- Provided guests with quality customer service
- Kept all work areas clean and operating

---
